TECHNICAL AND ADMINSTRATIVE TRAINING INSTITUTE LLC

ROAD TRAFFIC SAFETY (RTS) POLICY

Technical and Administrative Training Institute LLC (TATI) is committed to protect our employees and customers from the risk associated with defensive driving training or travelling on road(s) by continually improving our road traffic safety management system, comply with applicable legal and other requirements, deploying vehicles and employees complying with the TATI and customer standards.

ROAD TRAFFIC SAFETY (RTS) OBJECTIVES

- The elimination of death & injury as a result of vehicle driving training services
- Adopt the safe system approach to protect all road users acknowledging people make mistakes and are vulnerable in crashes
- Strive for continual improvement in road traffic safety performance by minimising risk to those affected by monitoring accidents and incidents
- Manage a road safety management system to optimise road safety outcomes
- To maintain all vehicles to exceed basic safety requirements
- Plan work and journeys to reduce exposure to road related risk
- Assess the risks relating to the use of vehicles on company business and implement suitable control measures.
